con pronuncia all'italiana

1 minuto in inglese. Imparalo a memoria e dillo con emozione. Inglese imperfetto + emozione = vantaggio. Mai "sorry for my English".

Le 3 ancora (queste a memoria perfetta)

- I'm Giuseppe, from Pescara, Italy. I burned my boats.
- TurniAI is an AI agent that runs your staff.
- I don't know how, but I'll make it.

Ricorda

- I suoni più tosti — **TH** (the, that, their) = lingua tra i denti · **world** = *uórlđ* (r e l insieme).
- Frasi corte, dette a blocchi. Tante riprese, tieni quella più viva anche con una parola storta.
